

F19 - Study Environment

Study programme	Building	Problem / Wish	Status	Responsible
First year of studies	Skibbrogade 5	Bad indoor climate in lecture halls	Has been reported to CAS	CAS
First year of studies	Skibbrogade 5	Bad chairs.	Has been reported to CAS	CAS
First year of studies	Skibbrogade 5	Lack of water dispensers.	Will not be reported to CAS as building is discontinued as of June 30.	First year of studies
SW2/DAT2	Skibbrogade 5	Lack of social activities and issue in relation to signing up for events.	Issue has been reported to F club. Dialogue with SW/DAT2 has been taken and action on this taken in cooperation with tutor corps. As for all events held at the F club with a limited number of participants - the principle used is first-come policy.	CS department
First year of studies	Skibbrogade 5	Canteen: better food and maybe vegan	New canteen concept at AAU is expected to solve this	CAS
3rd – 10 th semester	SEL300 / NOVI 9	Student work spaces: Wish for not sharing of group rooms / to few / or to small group rooms:	Important that students have sufficient space. The department has allocated means for rent for more student workspace in 2020. However sharing of student work spaces is a condition we need to work with. Experience shows it can be done with e.g. setting up rules of working discipline to avoid too much noise.	CS department
3rd – 10 th semester	SEL300	Suggestion for card readers instead of keys and deposit	Good idea - might be implemented in the rebuilding of Cassiopeia in 2020.	CS department

F19 - Study Environment

Study programme	Building	Problem / Wish	Status	Responsible
3rd – 10 th semester	SEL300	Ventilation is not good	Ventilation system is part of the plan for renovation of Cassiopeia in 2020.	CS department
3rd – 10 th semester	SEL300	Tables and chairs are not good	Chairs were changed but the table height cannot be set to fit with the chairs: Big wish from CS to CAS. This was reported last semester to CAS, who has sent the issue to Inventory.	CAS
3rd – 10 th semester	SEL300 / Cluster 5	More cosy corners	Cluster 5 is under reconstruction with this aim.	CS department
3rd – 10 th semester	SEL300	More water dispensers	According to CAS more water dispensers will be set up during 2019.	CAS
3rd – 10 th semester	SEL300	Table tennis back or moved to NOVI9	The latter might be an option if there is room for it and the noise is not disturbing other students or lectures.	CS department
3rd – 10 th semester	NOVI 9	Lack of window shadings	Has been reported to CAS.	CAS
3rd – 10 th semester	SEL300	Lack of activities without alcohol involved	According to F club and Fixd student club they have arranged several activities. Friday bar also serves non-alcoholic drinks and different board games are available etc. Input from department council meeting: in connection with company events non-alcoholic drinks should also be available for students and not only beer. This has been reported to student clubs.	CS department
3rd – 10 th semester	SEL300	Messy in clusters – especially at F club:	F club is aware of problems. They have set up boxes and shelves to make it easier to clean up and appointed students assigned to clean up each week.	CS department
