

The PhD Process

Assessment committee is provided with a minimum of 5 weeks to assess the thesis

assessment

receives the preliminary

No later than 9 weeks prior to the defense the Doctoral Schools must receive the thesis via VBN — Co-author statements and supervisor statement must be approved prior to submission.

Following approval the Doctoral School fowards the proposal to the student

Student has one
week to oppose
to the committee.

Department forwards proposal for assessment committee—6 months prior to the defense

Co-author statements must be sent to the Doctoral School in due time prior to the defense. Can be sent in for preapproval.

12 months after enrollment the updated PhD plan is uploaded for assessment. This must be delivered timely. Remember pre-defense prior to this.

Progess report after 6, 24 and 30 months through PhD manager

 ${\bf 2}$ months after enrollment the PhD plan is uploaded

Department

arranges the

defense

for approval. This must be delivered timely through PhD manager

1 month prior to the desired starting date. Application for enrollment must be forwarded.
