Knowledge of AAU before study start: Before I applied for my current education, I got to know AAU through:

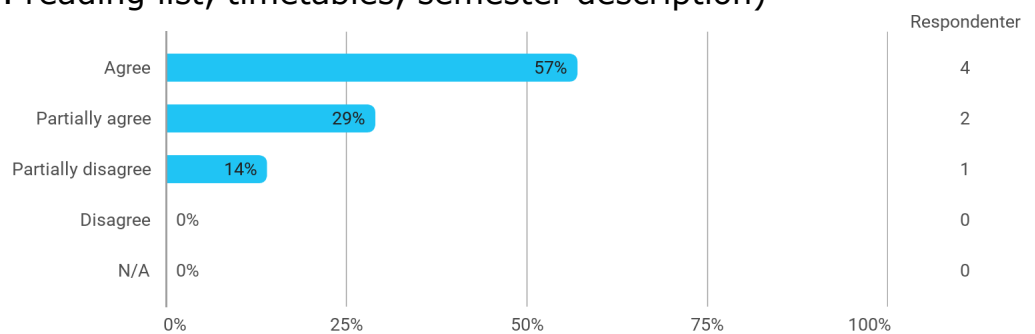

Knowledge of AAU before study start: Before I applied for my current education, I got to know AAU through: - Other (please elaborate)

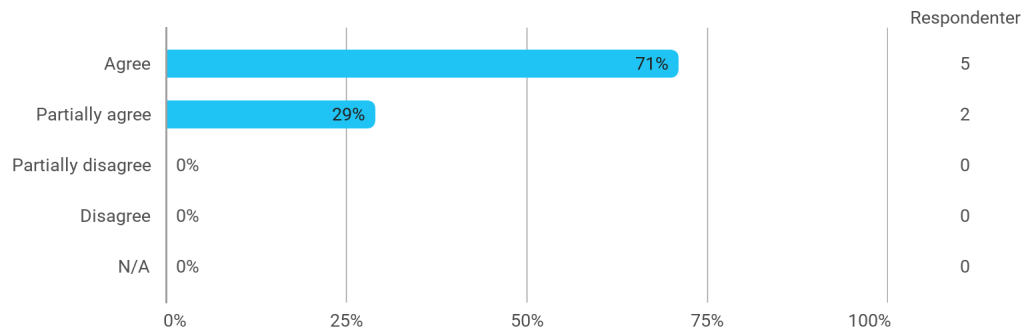

Gymnasium

Study In Denmark Website

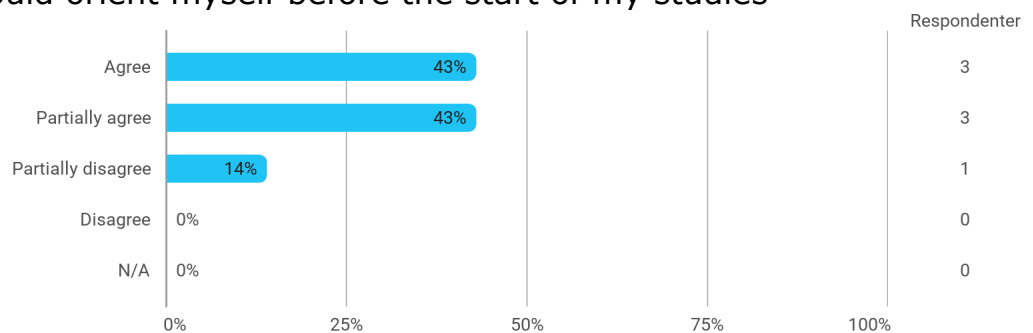

The experience of information and introduction: - I received relevant information before study start about the content and organisation of the programme (e.g. reading list, timetables, semester description)

The experience of information and introduction: - I received relevant information before the start of my studies about the practical conditions of the programme (e.g. registration in Moodle, ordering an AAU Card, where I had to show up, etc.)

The experience of information and introduction: - I received the information in time so that I could orient myself before the start of my studies

If there was anything that could have worked better during the onboarding course, you can indicate it here:

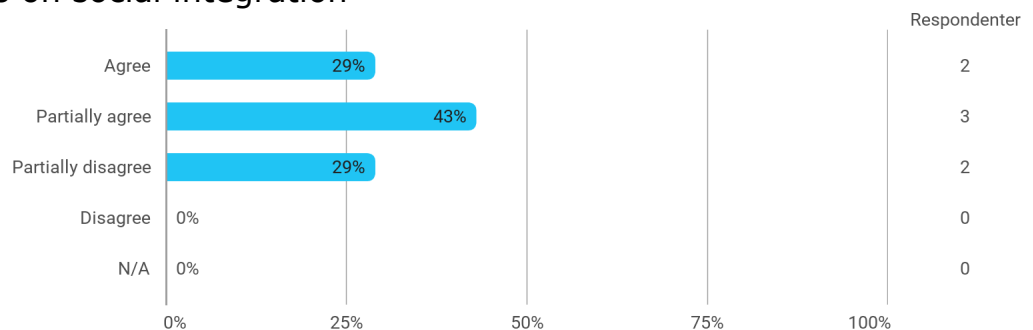

What information did you miss?

I wish the calendar would have been available earlier

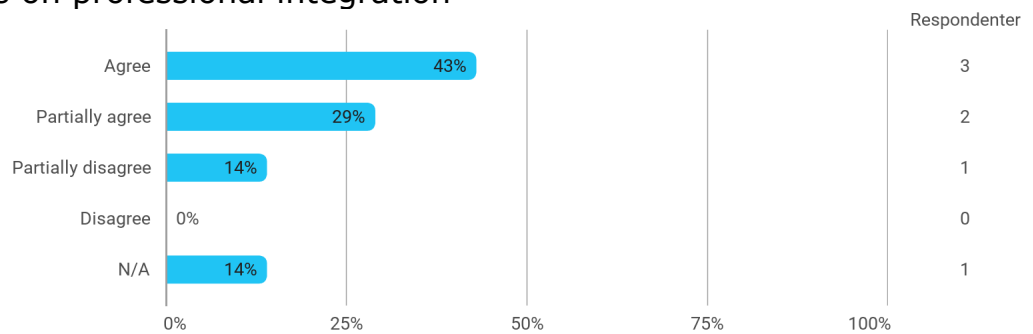

The schedule said we had to meet at Utzon but not where on Utzon.

General lack of information. No literature, no exact lecture room for the first day

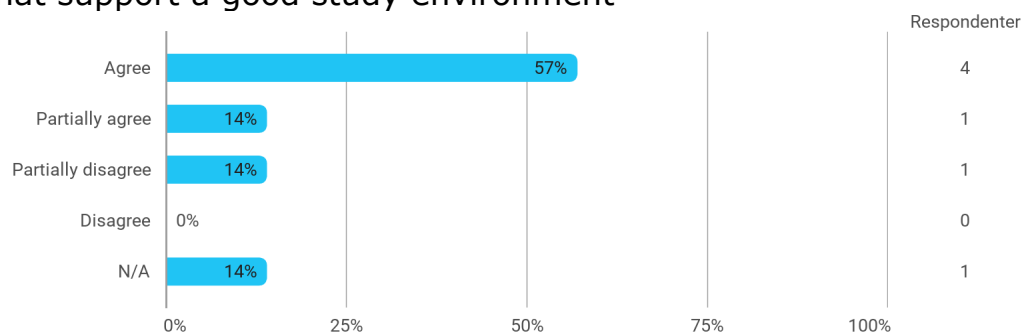

The experience of social and professional activities - In my experience, there has been a focus on social integration

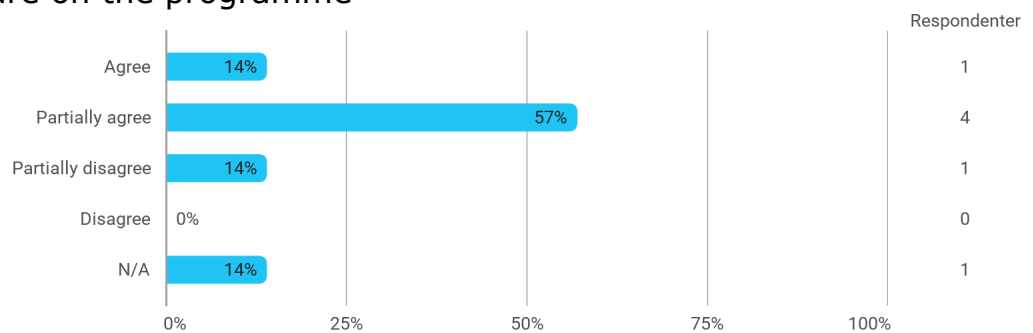

The experience of social and professional activities - I experience that there has been a focus on professional integration

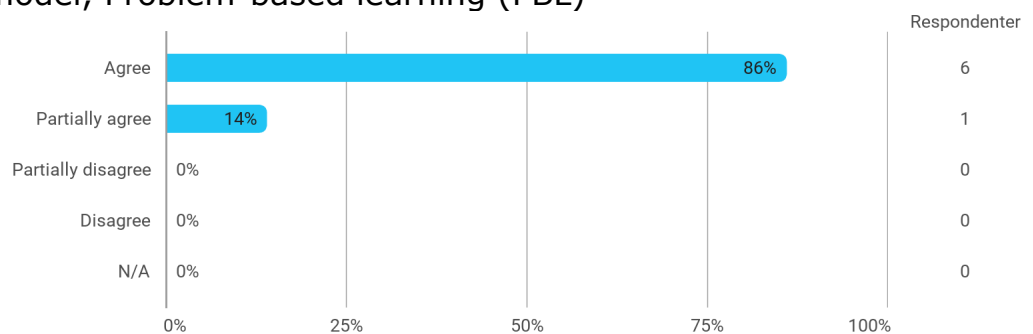

The experience of social and professional activities - I find that there have been activities that support a good study environment

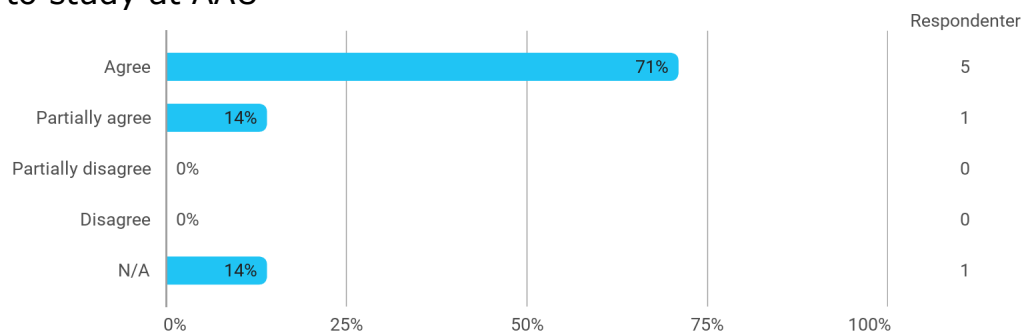

The experience of social and professional activities - I have been presented with how much time I can be expected to spend on the programme and what activities there are on the programme

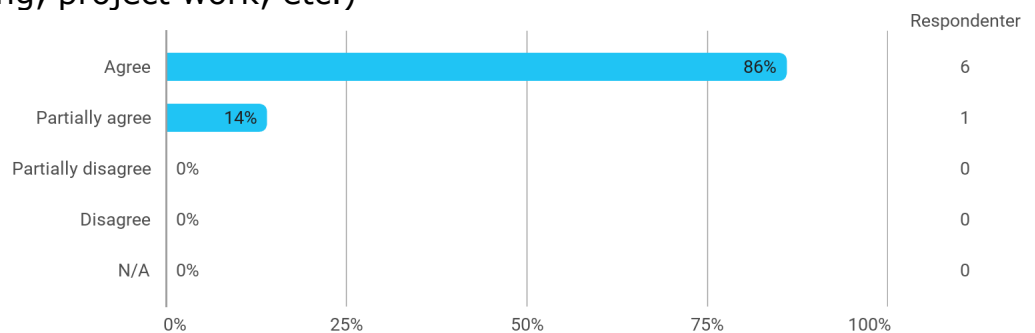

The experience of social and professional activities - I have been introduced to AAU's learning model, Problem-based learning (PBL)

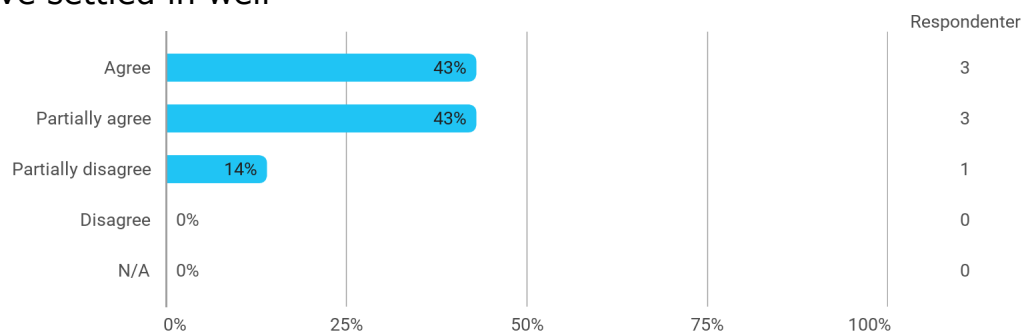

The experience of social and professional activities - Through the introduction to AAU's learning model, Problem-based learning (PBL), I have gained an idea of what it is like to study at AAU

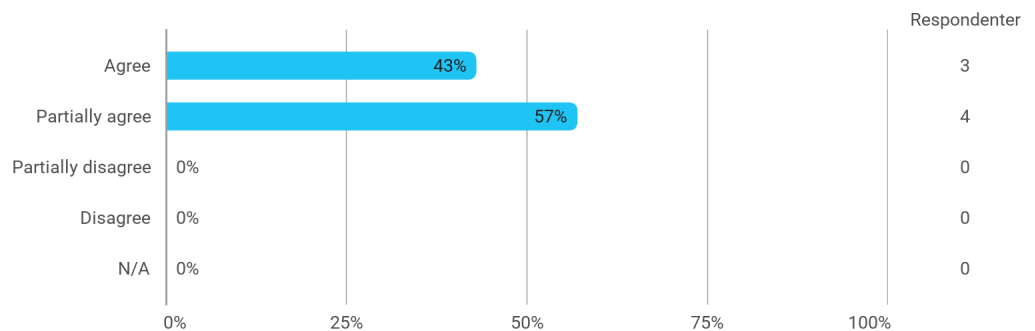

The experience of social and professional activities - Through the start of my studies, I have gained insight into the academic content of the programme (courses, teaching, project work, etc.)

The experience of the study start overall - I get along well with my fellow students and have settled in well

The experience of the study start overall - Overall, I am satisfied with the start of my studies

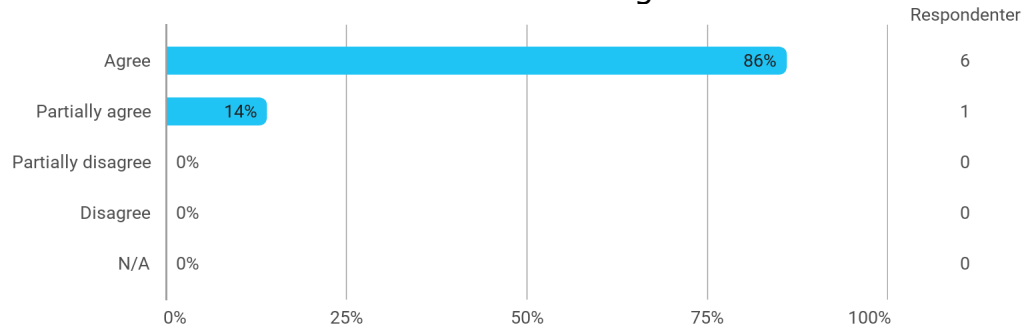

If you have suggestions on how we can make the start of studies better, you can list them here:

It seems that there is a lot of arrangements for the internationals but not for the rest of us

Please provide an AAU webpage where all softwares with free student license will be listed and can be downloaded from during studies.

Educational choice: I feel that so far I have made the right choice of education

Here you can elaborate on why you feel that you have not made the right choice of education
