2 Students

Minutes by: Student Simone Riis Porsborg

Agenda:

1. Project status
2. Project submission

Minutes:

1. Project status:
 - Projects going as planned
 - Collaboration issues about identifying aim – 1.5 month spend on “irrelevant” perspectives. The external collaborator did not have a clear aim when the project started
 - o Could we at AAU support the process of identifying a good aim by reflection questions/workshop in September?
 - **MMA** students experience that the supervisors are very busy
 - o Please be aware of that supervisor have time available for supervision of groups
 - **BM**: APV's should not be handed in, it is the student's responsibility that it is made correctly. The technicians expect that you know how to make them by now, and that you will ask for help if you need it.
2. Submission:
 - Exams will be on Frb, please check the rooms before
 - All 9. Sem groups are reminded to create you groups before 1st of December, Name: your group number
 - 10 sem. Hand in of projects on 1st of June
