

How we handle your personal data - Entrepreneurs in Residence

By applying for and participating in Entrepreneurs in Residence, we collect and process the following personal information about you:

- Full name
- E-mail addresses (Private and student)
- Phone number
- Current occupation
- Information about your startup and how you will contribute to AAU startup community
- Previously provided personal information giving in connection with your participation in AAU Startup Program and if possible, internship in your own Startup.

We do this to assess your application for Entrepreneurs in Residence and will use your information for contact about the further process. If you are accepted into the program, your information will be used for ongoing contact, follow-ups, invitation to networking and entrepreneurial events, evaluations, and process data in connection with your progress and development within the program.

As part of Entrepreneurs in Residence you are obligated to help with recruiting activities, and help plan, organize or/and held social events and entrepreneurial activities. We use your contact information to send you information about your obligations and invite you to a Microsoft Teams channel, where the activities are discussed. Information about the startups in Entrepreneurs in Residence, including your website and company LinkedIn profile will be published on AAU's websites.

The legal basis for collecting, processing and storing your personal data is that processing is necessary for you to apply for a spot in Entrepreneurs in Residence in accordance with the nature of the General Data Protection Regulations article 6(1) (e).

Since we already handle your information in connection with your participation in the AAU Startup Program, we will keep your personal information according to the information you have been given in connection to your participation in the AAU Startup Program.

As a data subject you have the right to know which information, we have about you, you have the right to rectification if your data is inaccurate, the right to deletion or be forgotten, the right to limit the data processing, the right to data portability and the right to object. You may use one of above-mentioned rights by contacting us via sea-gdpr@adm.aau.dk

The processing of your information, including when stored in our registry, is administered by Aalborg University in accordance with the University's Privacy Policy. Aalborg University is the data controller for processing your personal information. For general questions and any objections, please contact Heidi Nørgaard Jensen at henj@adm.aau.dk. Aalborg University Data Protection Officer can be contacted at dpo@aau.dk in case of disagreement.

If you wish to submit a complaint to Aalborg University's processing of your personal information, please contact Datatilsynet, which is the Danish regulatory authority in the data protection area, at dt@datatilsynet.dk.
