Econometrics III – Time Series Data**

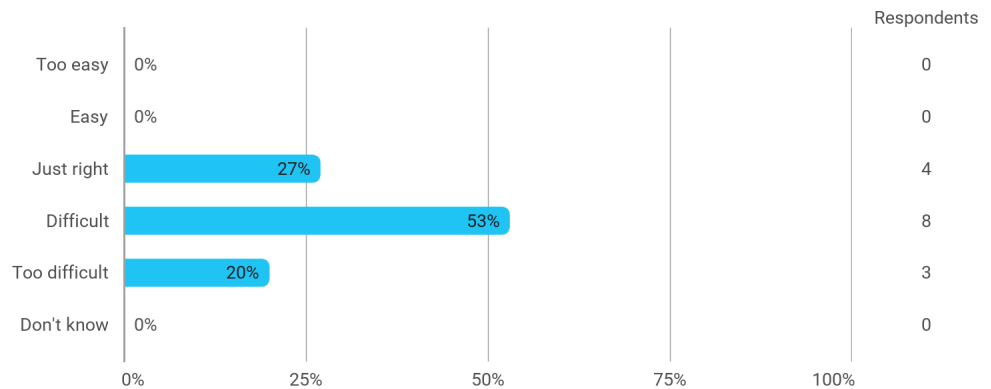

**Autumn 2023  
Master of Science (MSc) in Economics  
7. semester**

Response rate: 30 %

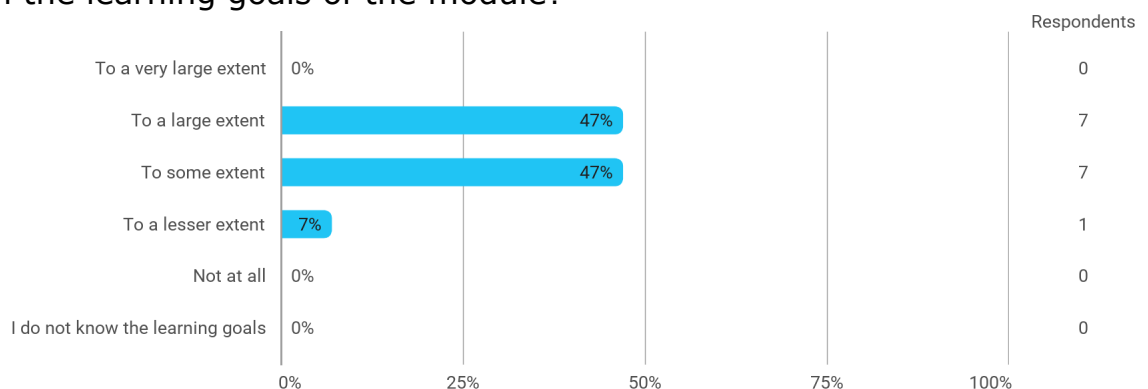

## Overall Status

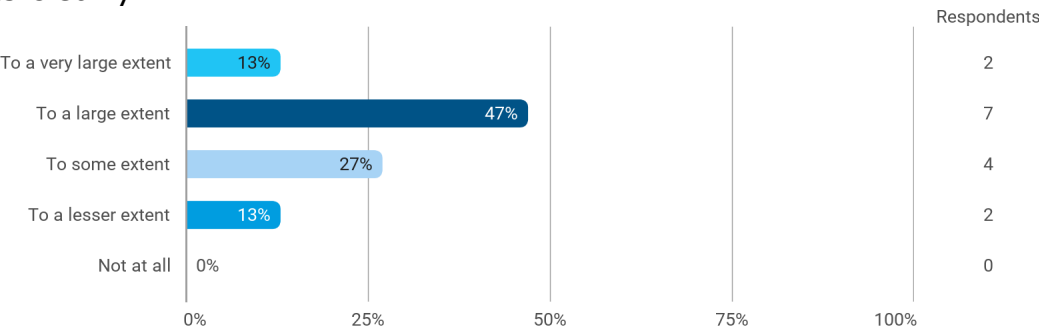

In relation to my own qualifications, I experienced the difficulty of the curriculum as:

To what extent do you experience that you have gained the competencies defined in the learning goals of the module?

To what extent do you experience: - that the lecturers are good at explaining academic points clearly?

To what extent do you experience: - that the lecturers use practical examples to explain difficult points?
