

Study board conclusions of the study programme evaluation report

Year: 2021
Campus: Aalborg
Semester: CA10
Date:xxx

This document represents the public version of the evaluation of the abovementioned programme and year and is based on responses from students (at the end of the last semester of the programme) to a questionnaire about their experiences with the contents of the programme, coherence, progression and study load, etc.

The conclusions from the study board (below) represents the board’s decision about the adjustments that should be based on the evaluation of the students. The conclusion can include information from semester and teaching evaluations, earlier study programme evaluations and other information from students, teachers, employer panel, etc. known by the study board.

The document also represents the study board’s response to graduates, students, teachers and other interested parties about the conclusions made based on the responses of the graduates.

Summary of the graduate responses

Conclusion of the study board

The study board has on its meeting on the above data decided that there is no need for changes in the curriculum or its implementation. The students point out high level of the program and high level and amount of supervision received.
