

BUSINESS SCHOOL

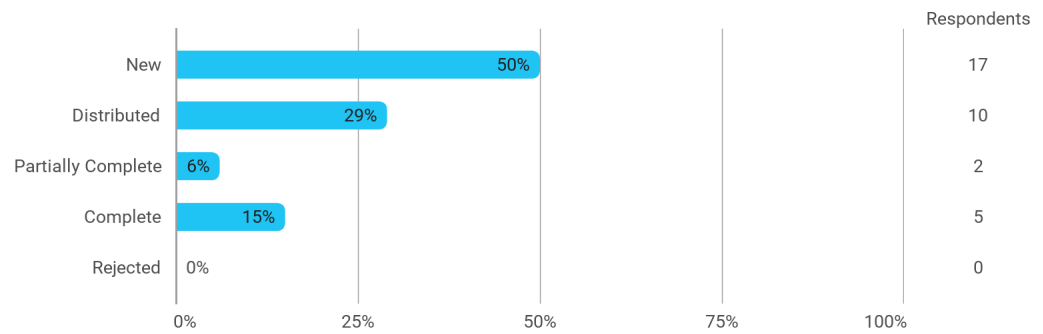

**AALBORG
UNIVERSITY**

MODULE EVALUATION
Management of Technological Innovation and
Applied Business Modelling

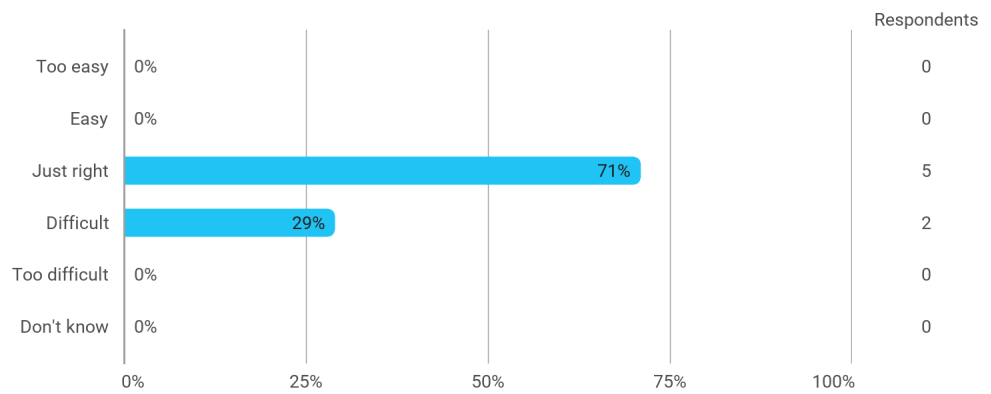

Autumn 2023
Master of Science (MSc) in Technology
(Entrepreneurial Business Engineering)
1. semester

Response rate: 15 %

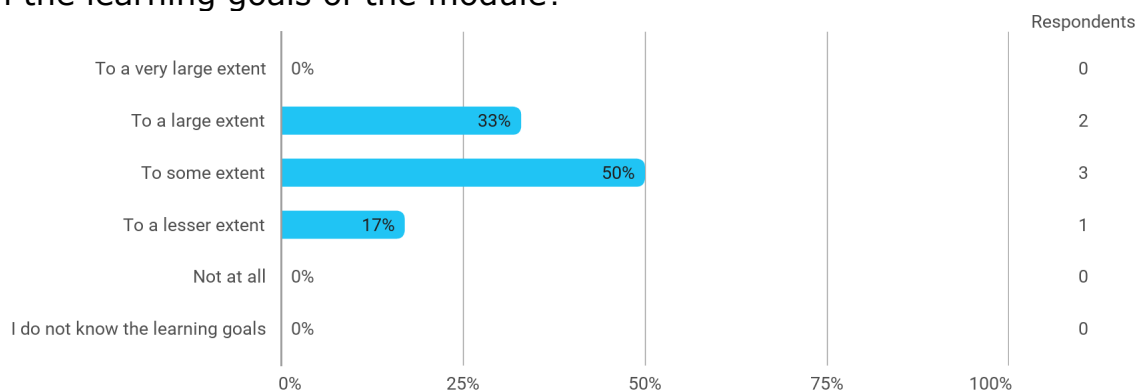

Overall Status

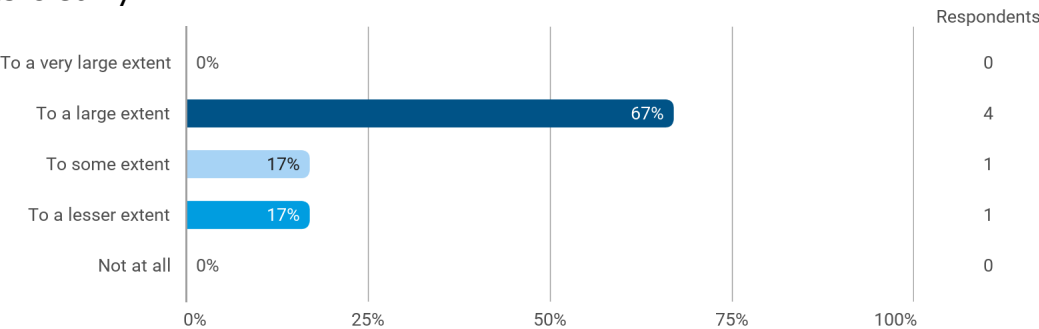

In relation to my own qualifications, I experienced the difficulty of the curriculum as:

To what extent do you experience that you have gained the competencies defined in the learning goals of the module?

To what extent do you experience: - that the lecturers are good at explaining academic points clearly?

To what extent do you experience: - that the lecturers use practical examples to explain difficult points?
